DR. SPIVEY. You see, we operate on the principle of the Therapeutic Community.

McMURPHY. The which?

DR. SPIVEY. *Ther-a-peutic Com-munity.* That means that this ward is society in miniature, and since society decides who is sane and who isn't, you must measure up. Our goal here is a completely democratic ward, governed by the patients- working to restore you to the Outside. The important thing is to let nothing fester inside you. Talk! Discuss! Confess! If you hear another patient say something of significance, write it down in the Log Book for all to see. Do you know what this procedure is called?

McMURPHY. Squealing?

DR. SPIVEY. Group Therapy. Help yourself and your friends probe the secrets of the subconscious. Bring those old guilts out into the open!

McMURPHY. (Blankly) What guilts?

Dr. SPIVEY. You have them or you wouldn't be here.
